# CECILLE TAMALLA

## ABOUT ME

An aspiring programmer/developer whose goal is to be part of Information Technology industry where skills and ability can be efficiently contributed to a team. Diligently demonstrated the ability to build a Windows Application using VB.Net and Web Application with ASP.Net using C# and MySQL in the previous school projects. Graduated with University President Academic Distinction Award and obtained competitive grades in most of major subjects with 1.6889 GWA. Seeking an opportunity to improve skillsets in the area of programming or software development with committed and dedicated people, which will help realize the full potential. Willing to work as a key player in a challenging and creative environment should the need arise.
